At the party, when everyone dared Sally and me to make out, it was nerve-racking and embarrassing, but when we actually did it, I felt the most confusing exhilaration I'd ever felt. It was so powerful that when I got home I couldn't stop thinking about it (or touching myself). I was afraid it would be awkward at work the next day, and I was right. Sally put an end to the awkwardness, though, because she'd already decided she wanted more than a kiss!

Warning: This audiobook contains explicit descriptions of a first lesbian sex experience and includes masturbation, barely legal sex, and oral sex. Only mature listeners who won't find that offensive should listen to this story.
