Sangharakshita

In the White Lotus Sutra, bursting with symbols, imagery and myths, we meet the Buddha as a story-teller. This sutra tells the greatest of all stories, that of human life and human potential. This great story takes the cosmos as its stage and all sentient beings as its players. This delightfully illustrated commentary on one of the most influential, revered and well-loved Buddhist scriptures brings these stories vividly to life and shows how they relate to our own spiritual quest.
