Who Killed Mister Moonlight?: Bauhaus black magick and benediction David J. Haskins

"Heroic and absurd, scurrilous and profound, *Who Killed Mister Moonlight?* charts the descent of four intelligent young men with faces like ruby-eyed dime-store skull rings into a glittering and very modern maelstrom. Fast, compelling, and disarmingly honest, this is an invaluable account of a strange and spectral cultural twilight era that we shall almost certainly never see again. Highly recommended." - Alan Moore, author of *V For Vendetta* and *Watchmen*.

Beginning with the creation of Bauhaus's seminal debut hit 'Bela Lugosi's Dead', David J. Haskins offers a no-holds-barred account of his band's rapid rise to fame and glory in the late 70s, their sudden dissolution in the 80s, and their subsequent--and often strained--reunions. In between, he explores his work as a solo performer, and with acclaimed trio Love And Rockets--culminating in the devastating fire that ripped through the sessions for their 1996 album *Sweet F.A.* He also delves deep into his exploration of the occult, drawing together a diverse cast of supporting characters, including William S. Burroughs, Alan Moore, Genesis P. Orridge, and Rick Rubin. Bristling with power and passion, music and magic, *Who Killed Mister Moonlight?* is a rock 'n' roll memoir like no other.

From reader reviews:

Helen Palmer:

What do you think about book? It is just for students since they are still students or this for all people in the world, what the best subject for that? Only you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be pushed someone or something that they don't would like do that. You must know how great in addition to important the book Who Killed Mister Moonlight?: Bauhaus black magick and benediction. All type of book could you see on many options. You can look for the internet methods or other social media.

Gale Taylor:

The e-book with title Who Killed Mister Moonlight?: Bauhaus black magick and benediction has lot of information that you can find out it. You can get a lot of help after read this book. That book exist new know-how the information that exist in this publication represented the condition of the world currently. That is important to yo7u to learn how the improvement of the world. This kind of book will bring you within new era of the glowbal growth. You can read the e-book with your smart phone, so you can read the idea anywhere you want.

Tom Salgado:

Reading can called head hangout, why? Because while you are reading a book particularly book entitled Who Killed Mister Moonlight?: Bauhaus black magick and benediction your mind will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely can be your mind friends. Imaging just about every word written in a publication then become one type conclusion and explanation which maybe you never get prior to. The Who Killed Mister Moonlight?: Bauhaus black magick and benediction giving you a different experience more than blown away your head but also giving you useful information for your better life within this era. So now let us show you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

Edward Davidson:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Who Killed Mister Moonlight?: Bauhaus black magick and benediction can make you experience more interested to read.
