A Kind of Grief: A Novel (The Highland Gazette Mystery Series Book 6) A. D. Scott
One of *Kirkus Reviews*' Best Mysteries and Thrillers of 2015

Set against the grandeur of the Northern Scottish Highlands in the 1950s, here is the sixth evocative, fast-paced, suspenseful mystery in A.D. Scott's highly acclaimed series featuring beloved heroine Joanne Ross.

Praised for their "well-drawn characters" (*Publishers Weekly*), "ingenious" plotting (*Booklist*, starred review), and "a terrific sense of place" (Rhys Bowen, *New York Times* bestselling author of *Hush Now*, *Don't You Cry*), A. D. Scott's mysteries never fail to enthrall and entertain. Now, in Scott's latest, Joanne Ross returns for a spellbinding case involving a woman accused of witchcraft in small-town Scotland.

When Alice Ramsay, artist and alleged witch, is found dead in her home in a remote Scottish glen, the verdict is suicide.

But Joanne Ross of the *Highland Gazette* refuses to believe it. As she investigates Alice's past, Joanne uncovers layer upon layer of intrigue. With the appearance of officials from a secretive government agency and an ambitious art critic from a national newspaper, Joanne is increasingly convinced that something—and someone—from Alice's past was involved in her death.

As in her previous mysteries *North Sea Requiem*, *Beneath the Abbey Wall*, and *A Double Death on the Black Isle*, among others, A. D. Scott brings to life compelling characters and vividly portrays the charms and intrigues of a small town in 1950s Scotland. With surprising twists and a shocking dénouement that poses moral questions as relevant now as six decades ago, *A Kind of Grief* is another unforgettable entry in an atmospheric series that will draw you in and linger in your mind like mist over the Scottish glens.
