From the early years of the twentieth century to the 1980s, the A. E. Hull Pottery Company has produced imaginative ceramics that have entranced both consumers and collectors alike. Hundreds of brilliant color photographs present a sweeping survey of the broad scope of Hull pottery produced over many decades. Novelty items, flower pots, cookie jars and containers, vases, and serving wares are all included in this informative book. Additionally, a brief history of the company, an examination of its many manufacturer's marks, an Index, and a Bibliography are included. Revised values for the wares displayed are provided in the captions. Every collector of twentieth century ceramics and fans of Ohio pottery will find this engaging reading.
