I can give it up any time I want . . .

Sometimes maybe you need an experience. The experience can be a person or it can be a drug. The experience opens a door that was there all the time but you never saw it. Or maybe it blasts you into outer space. This time it was Lily and Rob and Gemma spending all that time to make me feel one of them, but it was the drug too. All that crap?about Gemma leaving me, about Mum and Dad, about leaving home. All that negative stuff. All the pain . . .

It just floated away from me, I just floated away from it . . . up and away . . .

I leaned back and I looked at the book and I looked at them and Gemma smiled at me, a big soft smile, and her eyes were like marbles.

"Better?" she said.
