## Dream More Deluxe Dolly Parton

The Deluxe eBook edition of *Dream More* includes rarely seen photographs placed throughout the text from Dolly Parton's archives as well as audio and video of two of her songs, *Celebrate the Dreamer in You* and *Try*, which she performed live at the University of Tennessee commencement. The result is a delight for both the eyes and the ears.

Based on the hugely popular commencement speech Dolly Parton gave at the University of Tennessee that became a sensation, *Dream More* is a deeper and richer exploration of the personal philosophy she has forged over the course of her astonishing career as a singer, songwriter, performer, and philanthropist.

Using her speech as a jumping-off point, Parton explores the four great hopes she urges us to embrace: dream more, learn more, care more, and be more. She culls examples of these values from her own life as illustrations, from growing up poor in the hills of eastern Tennessee to her experiences as the iconic performer she has become today.

Written by one of the cultural legends of our time, *Dream More* is a poignant and uplifting anthem for all who want to take charge of their lives and forge a future on their own terms.
