## Firestorm Radclyffe

Firefighter paramedic Mallory "Ice" James commands a crew of smokejumpers - twenty women and men who eat together, sleep together, and parachute into the face of raging forest fires together - and she has thirty days to whip the rookies into shape. Discipline and teamwork mean the difference between life and death on the line, and she's earned her reputation as cool and controlled in the face of danger.

Mallory isn't happy when "Hotshot" Jac Russo shows up unannounced for boot camp along with a reputation for being trouble. Jac is none too pleased about her cold reception, even if the new boss is drop-dead gorgeous and hotter than the blazes they're supposed to be dousing. Mallory and Jac may not like each other much, but lust isn't something either can control - and they soon discover ice burns as fiercely as flame.
