## **The Gifts of God, 1st Edition (A Course in Miracles) Helen Schucman**

This work accompanies "A Course in Miracles". A self-study course, it aims to change perceptions, heal minds and change behaviour. It introduces miracles as naturally occurring expressions of love, and argues that to experience miracles is to be aware of love's presence. Although Christian in language, the course is a perennial philosophy, presented in a way which is meaningful for present times.
