Dwight Allen

The Green Suit: Stories Dwight Allen

This edition of Dwight Allen's acclaimed story collection, *The Green Suit*, ends with a new story, rounding out a dozen interlinked tales about a well-to-do Kentucky family called the Sackriders. The stories cover a period of forty years, from the Vietnam War to the Age of Foreclosure. Chief among the Sackriders is Peter, son of a judge and a vitamin-pill-popping mother, brother to a sister whose troubles with boys take her far from Kentucky. He is a writer perhaps more in love with women (and, intermittently, men) than he is with words, whose eagerness to be loved leads him into alarming circumstances. He is a man with a yearning for transcendence and a penchant for betrayal.

The new story finds Sackrider in his mid-fifties, married for a second time, the father of a small child, and all tangled up with his next-door neighbor, an artist who likes to use the corpses of animals in his collages.
