Evelina [with Biographical Introduction] Fanny Burney

First published in 1778, this novel of manners tells the story of Evelina, a young woman raised in rural obscurity who is thrust into London's fashionable society at the age of eighteen. There, she experiences a sequence of humorous events at balls, theatres, and gardens that teach her how quickly she must learn to navigate social snobbery and veiled aggression. Evelina, the embodiment of the feminine ideal for her time, undergoes numerous trials and grows in confidence with her abilities and perspicacity. As an innocent young woman, she deals with embarrassing relations, being beautiful in an image-conscious world, and falling in love with the wonderfully eligible Lord Orville. Burney gives the heroine a surprisingly shrewd opinion of fashionable London. This work, then, is not only satirical concerning the consumerism of this select group, but also aware of the role of women in late-eighteenth century society, paving the way for writers such as Jane Austen in this comic, touching love story.

Sonia Cancel:

This Evelina [with Biographical Introduction] is completely new way for you who has interest to look for some information mainly because it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know otherwise you who still having little bit of digest in reading this Evelina [with Biographical Introduction] can be the light food for you personally because the information inside this book is easy to get by simply anyone. These books develop itself in the form and that is reachable by anyone, yes I mean in the e-book form. People who think that in reserve form make them feel sleepy even dizzy this e-book is the answer. So there isn't any in reading a e-book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book sort for your better life as well as knowledge.

Dianne Roy:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Evelina [with Biographical Introduction] can make you really feel more interested to read.
