Mark Twain

Following the Equator (Illustrated) Mark Twain

Following the Equator (sometimes titled More Tramps Abroad) is a non-fiction travelogue published by American author Mark Twain in 1897.

Twain was practically bankrupt in 1894 due to a failed investment into a "revolutionary" typesetting machine. In an attempt to extricate himself from debt of \$100,000 (equivalent of about \$2.5 million in 2010) he undertook a tour of the British Empire in 1895, a route chosen to provide numerous opportunities for lectures in the English.
