Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) Carles Sanchis Ibor

A les acaballes de l'edat mitjana, l'Albufera de València era un ample estany salobrenc que, voltat de vinyes, oliveres i carrascars dispersos, s'estenia entre el cap de Cullera i la desembocadura del Guadalaviar. Del segle XVII ençà, l'expansió del regadiu i les operacions de drenatge capgiraren els paràmetres hidrològics i transformaren el paisatge de l'aiguamoll. L'Albufera d'aigua dolça, de les hortes i els arrossars, convertida en imatge tòpica pels textos de Blasco Ibáñez, és per tant, en realitat, una construcció antròpica relativament recent. A partir de l'estudi de la documentació històrica i cartogràfica, aquest llibre reconstrueix el procés de canvi ambiental que s'hi ha experimentat de resultes de segles de treballs hidràulics, i examina de manera detallada les intervencions humanes que han fet de l'Albufera de València un producte de natura i cultura.

From reader reviews:

Joyce Volz:

Book is usually written, printed, or created for everything. You can recognize everything you want by a publication. Book has a different type. As it is known to us that book is important issue to bring us around the world. Alongside that you can your reading talent was fluently. A e-book Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) will make you to always be smarter. You can feel far more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It isn't make you fun. Why they could be thought like that? Have you searching for best book or suitable book with you?

Bill Boyd:

As people who live in typically the modest era should be update about what going on or information even knowledge to make them keep up with the era that is always change and progress. Some of you maybe can update themselves by reading through books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with. This Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

Bradley Roberts:

Reading can called head hangout, why? Because if you are reading a book particularly book entitled Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) your head will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely will become your mind friends. Imaging every single word written in a publication then become one form conclusion and explanation in which maybe you never get just before. The Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) giving you an additional experience more than blown away your mind but also giving you useful data for your better life within this era. So now let us explain to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary shelling out spare time activity?

Bryan Lewis:

This Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) is great reserve for you because the content and that is full of information for you who also always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can state no rambling sentences within it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having Regadiu i canvi ambiental a l'Albufera de València (Catalan Edition) in your hand like getting the world in your arm, data in it is not ridiculous one. We can say that no

publication that offer you world with ten or fifteen minute right but this publication already do that. So , this really is good reading book. Hey there Mr. and Mrs. busy do you still doubt that?
