## Revealing Jewel: An Intimate Portrait from Family and Friends

She has been called "one of the most richly idiomatic female pop singers of her generation" by *Rolling Stone* magazine. Translation: Jewel speaks to millions of fans of all ages through her award-winning music and bestselling poetry books.

Now, get to know this supertalented performer for the down-to-earth, savvy, and unpretentious person she is -- a dynamic young woman who, her friends all agree, is "too normal to be a rock star." Revealing Jewel pieces together a remarkable portrait, through the words of those who know her best: her family and close friends, her band, and her colleagues on the road, in the studio, and on the movie set -- including Moby, producer Arif Mardin, actor/director Billy Bob Thornton, Jewel's father, singer/ songwriter Atz Kilcher, and her mother and manager, Lenedra J. Carroll. This one-of-a-kind compilation gets up close and personal on:

Jewel's childhood...the hard times...her rise to fame...paying her dues...the recording experience...the touring life...superstardom...artistic pursuits...her passions...her causes...her friendships...her love life...her personal style...her sharp wit and hard-won wisdom.

Also included are trivia questions, candid photos, and sidebars in Jewel's own words. Delve into *Revealing Jewel* and celebrate the heart and soul of an artist who constantly challenges our assumptions and defies our expectations.
