The Sailfish and the Sacred Mountain: Passages in the Lives of a Father and Son Will Johnson

An account of spiritual awakening told through the rites of passage of a father and son

- Reveals the essential role spirituality can play in our mundane lives
- Celebrates not only traditional rites of passage, but also the more subtle moments of change that continually take place within each of us
- Reflects on the power of prayer and intention in guiding our life journey

Part spiritual travelogue, part personal memoir, *The Sailfish and the Sacred Mountain* is the story of the profound moments that forever change our lives, told in the context of a father and son's journey to the sacred Mount Kailas in Tibet.

Every moment in life is a moment of passage. While many culturally prescribed rites of passage--baptisms, bar mitzvahs, and confirmations--may not necessarily transform the participant into a higher level of maturity and understanding, there are many other moments that stand out as true passages into a new phase of life. These are the moments of triumph or of pain and defeat--the first taste of love, the birth of a child, the death of a loved one--moments after which we know, in the quiet of our hearts and minds, we will never be the same.

The Sailfish and the Sacred Mountain presents a unique view into how we can create the circumstances that invite profound spiritual awakenings to occur in our lives and how we can recognize and embrace the powerful lessons these events have to offer. As Will Johnson reflects on his own life passages, he tells the story of the remarkable journey with his son to Mount Kailas--a journey that proves to be a moment of passage for both father and son.

From reader reviews:

Patricia Gross:

Nowadays reading books become more and more than want or need but also work as a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book that improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with schooling books but if you want really feel happy read one together with theme for entertaining such as comic or novel. Typically the The Sailfish and the Sacred Mountain: Passages in the Lives of a Father and Son is kind of book which is giving the reader unpredictable experience.

Susan Spiegel:

Reading a reserve tends to be new life style in this particular era globalization. With reading through you can get a lot of information which will give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some analysis before they write with their book. One of them is this The Sailfish and the Sacred Mountain: Passages in the Lives of a Father and Son.

Adam Gutierrez:

A lot of people always spent their free time to vacation or go to the outside with them friends and family or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity honestly, that is look different you can read some sort of book. It is really fun for yourself. If you enjoy the book which you read you can spent all day every day to reading a book. The book The Sailfish and the Sacred Mountain: Passages in the Lives of a Father and Son it is extremely good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. Should you did not have enough space to create this book you can buy typically the e-book. You can m0ore quickly to read this book from your smart phone. The price is not to cover but this book offers high quality.

Ernestine Pagan:

Are you kind of active person, only have 10 or 15 minute in your time to upgrading your mind skill or thinking skill even analytical thinking? Then you are receiving problem with the book compared to can satisfy your limited time to read it because pretty much everything time you only find guide that need more time to be read. The Sailfish and the Sacred Mountain: Passages in the Lives of a Father and Son can be your answer given it can be read by a person who have those short free time problems.
