After reconciling with her mother and grandmother, Tia Sparks has made a new life in Chicago with Lorenzo, her husband of thirteen years. Still, overcoming the trials and tribulations from her past has not prepared her for this latest set of disheartening challenges.

Lorenzo has been harboring a secret for years and it's threatening to physically destroy him. It's turning him into a man that Tia no longer recognizes. With her frustrations continuing to mount, Tia makes a decision that she quickly finds herself regretting.

Serenity, their thirteen year old daughter, struggles to find her place amidst her own low self-esteem and the distance of her parents. With nowhere to turn, she makes an irrational choice that places her directly in the path of an unstable neighbor.

Soon all of them begin to realize the high price they must pay for their discontentment, and Lorenzo fights to relinquish the nightmare he's been holding onto.

With God all things are possible. But can each of them find redemption and deliverance before a marriage is destroyed and lives are changed forever?
