## **Guide to Succulents of Southern Africa** Gideon Smith

Featuring 250 of the region's most common and interesting succulents, this is an accessible, user-friendly guide to identifying these increasingly popular plants. Colour photographs vividly portray all the species covered. Authoritative text describes key identification features, and distribution maps show the occurrence of each species in southern Africa. This guide will have wide appeal both to naturalists and to the gardening public who, increasingly, are on the lookout for indigenous, low-maintenance and waterwise plants.
