Peace Officers' Guide to California's Dangerous Weapons Laws Rick Bruce

PEACE OFFICERS' GUIDE TO CALIFORNIA'S DANGEROUS WEAPONS LAWS is fascinating reading, regardless of where you live. The laws that apply to the possession and use of dangerous weapons are both confusing and complicated. In addition, there is little consistency between those laws written decades ago and those recently enacted. This text simplifies this area of law for both the layperson and the veteran officer. Weapons are discussed and logically grouped within this book, unlike the penal code, where they are scattered throughout. It is a concept book that is in workbook form to associate both a word picture and an illustration of the topic at hand. Self-test exercises ensure retention.
