## **Schooling Sex: Libertine Literature and Erotic Education in Italy, France, and England 1534-1685**

James Grantham Turner

*Schooling Sex* is the first full history of early modern libertine literature and its reception, from Aretino and Tullia d'Aragona in 16th-century Italy to Pepys, Rochester, and Behn in late 17th-century England. James Turner explores the idea of sexual education, from the simple instructional dialogue to the advanced experiments of the philosophical libertine, analyzing the hard-core curriculum that defined sexuality centuries before the Marquis de Sade.

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country.
