Chinese Breeze is a large and innovative Chinese graded reader series that will offer over 60 titles of enjoyable stories at eight language levels. It is designed for college and secondary school Chinese language learners from beginning to advanced levels (including AP Chinese students), offering them a new opportunity to read for pleasure and simultaneously developing real fluency, building confidence, and increasing motivation for Chinese learning. Each title comes with an audio CD containing recordings of the text. In simplified characters, with pinyin and English in vocabulary lists. There are also short exercises and answer keys at the end of each book. CONTENT OF THIS BOOK: Fang Xin was the developer of a popular software program, but he did not anticipate that it would soon be stolen and sold at high volumes by pirates. He searched for the pirates for a long time, without success. One day, his wife Xiaoyue overhears a phone conversation in a store that catches her attention, and following the caller, she discovers the pirates' location. Little does she realize that she is on the brink of death...
