'Be yourself--everyone else is already taken.' Oscar Wilde got it right when he penned this droll advice about being yourself. True to his sentiment, this little handbook of audacious living offers insight and inspiration for being true to your wonderful self. There may be bumps in the road on life's wild ride, but we can use the words of those who've been there as traffic signs. As Anne Lamott writes, "We begin to find and become ourselves when we notice how we are already found, already truly, entirely, wildly, messily, marvelously who we were born to be."
