Representation

Monica Brito Vieira, David Runciman

Representation Monica Brito Vieira, David Runciman

What is representation? What does it mean when a politician represents citizens in government? How can citizens be represented beyond the boundaries of the nation-state?

These are just some of the questions which will be answered by David Runciman and Mónica Brito Vieira as they explain why representation should be understood as one of the key concepts in modern politics. The first part of the book examines the historical roots of the concept of representation, from its origins in ancient Rome through to its role in the revolutionary politics of the modern world. The second looks at different varieties of representation – in law as well as politics. The final part asks how the concept of representation can help us think creatively about current and future challenges facing the world.

Representation is too often treated as a secondary or qualifying idea – as in the phrase ‘representative democracy’. This book argues that we have this the wrong way round. Representation is the foundational idea in almost all areas of our political life. Making sense of representation in its own terms is crucial for seeing why democracy functions the way it does, and for exploring how it might function differently.

From reader reviews:

Beverly Brown:

What do you ponder on book? It is just for students since they're still students or it for all people in the world, the particular best subject for that? Only you can be answered for that query above. Every person has different personality and hobby for every single other. Don't to be obligated someone or something that they don't would like do that. You must know how great in addition to important the book Representation. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Jose Jones:

This book untitled Representation to be one of several books in which best seller in this year, here is because when you read this publication you can get a lot of benefit upon it. You will easily to buy this specific book in the book shop or you can order it by means of online. The publisher in this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Touch screen phone. So there is no reason to your account to past this reserve from your list.

Dolores Mika:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many issue for the book? But just about any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but novel and Representation or others sources were given expertise for you. After you know how the great a book, you feel would like to read more and more. Science publication was created for teacher or students especially. Those publications are helping them to add their knowledge. In some other case, beside science e-book, any other book likes Representation to make your spare time much more colorful. Many types of book like here.

Robert Long:

Guide is one of source of understanding. We can add our know-how from it. Not only for students but native or citizen want book to know the change information of year to be able to year. As we know those guides have many advantages. Beside we add our knowledge, can also bring us to around the world. Through the book Representation we can take more advantage. Don't someone to be creative people? For being creative person must want to read a book. Just simply choose the best book that acceptable with your aim. Don't be doubt to change your life with this book Representation. You can more appealing than now.
