## **White Supremacy in Children's Literature: Characterizations of African Americans, 1830-1900 (Children's Literature and Culture) Donnerae MacCann**

This penetrating study of the white supremacy myth in books for the young adds an important dimension to American intellectual history. The study pinpoints an intersecting adult and child culture: it demonstrates that many children's stories had political, literary, and social contexts that paralleled the way adult books, schools, churches, and government institutions similarly maligned black identity, culture, and intelligence. The book reveals how links between the socialization of children and conservative trends in the 19th century foretold 20th century disregard for social justice in American social policy. The author demonstrates that cultural pluralism, an ongoing corrective to white supremacist fabrications, is informed by the insights and historical assessments offered in this study.

#### **Jennifer Meeks:**

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this White Supremacy in Children's Literature: Characterizations of African Americans, 1830-1900 (Children's Literature and Culture) can make you truly feel more interested to read.
