## **Freddy and the Flying Saucer Plans (Freddy the Pig)** Walter R. Brooks

Originally published between 1927 and 1958, the 26 classic books about Freddy the Pig are now going on to delight a sixth generation of children. Freddy the Pig, the “Renaissance Pig” (*The New York Times Book Review*) of Bean Farm, is back to thrill his fans of all ages in these all-American children’s classics. In this terrific adventure, Freddy must keep the real set of flying saucer plans out of the hands of traitorous spies—though he has a plan to slip them a false set and save the day, all the while disguised as an old gypsy woman. This is vintage Freddy and the whole ensemble cast at their charming best.
