## **101 Glimpses of Nags Head** Sarah Downing

Nags Head boasts a plethora of natural wonders. From an ecologically unique maritime forest to breathtaking coastal dunes, the dynamics of the area corroborate the sentiment Thomas Nixon expressed in his 1964 classic. Indeed, as early as the 1830s, merchants and planters from the Albemarle region of North Carolina and Southside Virginia brought their families to Nags Head via boat to exchange the oppressive inland summer heat for cool ocean breezes. In this striking photographic collection, Downing illustrates why this scenic spot on the Outer Banks has been beloved for generations by sun-seekers, sightseers and surfers alike.
