## **Bali: Heaven and Hell** Phil Jarratt

For a century now, Bali has been the subject of a beautiful mythology created by movies and music, but there are few factual accounts of its transformation from besieged peasant colony to booming tourist mecca. **Bali: Heaven and Hell**

is a tale begging to be told - a story of survival in the face of genocide, natural disaster, terrorism, cultural imperialism and corruption on a grand scale. Go behind the smiling face presented to generations of tourists and expats with Phil Jarratt, the award-winning author of over 20 books including *Surfing Australia: A Complete History of Surfboard Riding in Australia* and *That Summer at Boomerang*. Phil has first-hand experience of the glorious island at the morning of the world, having spent the past 40 years falling in and out of love with our favourite holiday destination.

*Jarratt weaves a page-turning story of treachery, deceit, debauchery and wholesale slaughter, set against the idyllic backdrop of a paradise on Earth, then cleverly segues into a modern-day tale of jaw-dropping surf, karma, sexual abandon, and a fusion of East and West that created the modern tourist hot spot.*

David Hill, Chairman, National Geographic Channels US
