Kate's latest failure on the London dating scene leads her to escape to an idyllic Exmoor, West Country village where she finds her 'Cinderella Project' - a run-down cottage on the edge of the moors.

Her attempt to lead a quiet life there is, however, thwarted by a town seething with passion and intrigue. Competition for her affections leads to her entanglement with the Blackmore family, the local landowners consisting of the hostile and brooding Ed; his gorgeous, divorced, playboy brother Jack; and their flighty, shopaholic step-mother Camilla.

Kate's new life is threatened to be turned upside-down by something rotten in the Blackmore estate. Will she be forced to scuttle back to London or prevail and find serenity and happiness in renovating her cottage? It seems that, between them, Jack and Ed may hold the key.
