## Killshot Elmore Leonard

“[Leonard has] written so many first-rate crime stories that it would be fatuous to say *Killshot* is his best, but it probably is anyway.”

—*Newsweek*

The *New York Times* bestselling author the *Pittsburgh Post-Gazette* once called, “the Alexander the Great of crime fiction,” Elmore Leonard is responsible for creating some of the sharpest dialogue, most compelling characters (including U.S. Marshal Raylan Givens of TV’s *Justified* fame), and, quite simply, some of the very best suspense novels written over the past century. *Killshot* is prime Leonard—a riveting story of a husband and wife caught in the crossfire when they foil a criminal act and are forced to defend themselves when the legal system fails them from the murderous wrath of a pair of vengeful killers. When it comes to cops and criminals stories, *Killshot* and Leonard are as good as it gets—further proof why “the King Daddy of crime writers” (*Seattle Times*) deserves his current place among John D. MacDonald, Dashiell Hammett, James M. Cain, and the other legendary greats of the noir fiction genre.

### **From reader reviews:**

#### **Dorothy Guillen:**

What do you concentrate on book? It is just for students because they're still students or that for all people in the world, the actual best subject for that? Just you can be answered for that issue above. Every person has distinct personality and hobby for each other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book Killshot. All type of book is it possible to see on many resources. You can look for the internet methods or other social media.

#### **Dawn Williams:**

This Killshot are reliable for you who want to be a successful person, why. The explanation of this Killshot can be one of several great books you must have is actually giving you more than just simple examining food but feed anyone with information that maybe will shock your preceding knowledge. This book is definitely handy, you can bring it just about everywhere and whenever your conditions at e-book and printed people. Beside that this Killshot forcing you to have an enormous of experience such as rich vocabulary, giving you trial run of critical thinking that we realize it useful in your day action. So , let's have it and revel in reading.

#### **Ramon Hudson:**

The particular book Killshot will bring you to definitely the new experience of reading a book. The author style to describe the idea is very unique. In case you try to find new book to see, this book very suited to you. The book Killshot is much recommended to you to learn. You can also get the e-book in the official web site, so you can quickly to read the book.

#### **Clinton Perez:**

This Killshot is great e-book for you because the content which is full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can declare no rambling sentences inside. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having Killshot in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen moment right but this e-book already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt which?
