La ciencia prohibida (Spanish Edition)

Javier Hernández Covarrubias

La ciencia prohibida (Spanish Edition) Javier Hernández Covarrubias

Incluye audio del autor.

Un médico con ideas innovadoras y controversiales, que cuestionó la medicina actual y se atrevió a confrontar a los laboratorios y a la industria farmacéutica, se encontró un día encerrado en un psiquiátrico contra su voluntad.

Despojado de su antigua vida. El doctor Fabián Moncada expuso una realidad comprometedora, con sus investigaciones sobre los últimos avances científicos, y se vio privado de su libertad. ¿Tendrá escapatoria de un mundo donde todos lo creen loco? Llena de suspenso y misterio, la obra es una batalla donde algunos luchan por descubrir la verdad, y otros por encubirla. Una periodista arriesga su vida por hallar al médico y contar su historia. La madre de un niño con autismo busca al doctor con la esperanza de salvar a su hijo. En las grandes esferas del imperio farmacéutico, un director hará hasta lo imposible por proteger un negocio donde es más lucrativo conservar al paciente enfermo que sanarlo. La novela hace evidente la necesidad de renovar y transformar los métodos actuales de ejercer la medicina, buscando alternativas científicas que curen el problema de raíz. Una novela valiente, leal a la profesión médica, a la salud, a la vida, donde nos será revelado el verdadero precio de la ciencia prohibida.
