"Is my father a murderer?"

Caring for a mother with Alzheimer's was heartbreakingly enough for Lindsey Merrill. But when her mother made bizarre but adamant claims that Lindsey's loving father was a killer, it was too much to bear. So she turned to detective Alan Cameron for guidance. Before long, the single dad's soothing reassurances morphed into a smoldering attraction....

Evidence quickly mounted that all was not as it seemed in the Merrill family. As a professional, Alan was obliged to pursue the case—as a man, he had to shield this special woman from pain. Would his shocking discovery break her heart just as he was making it his very own?
