## **The Emily Bleeker Collection** Emily Bleeker

This collection includes two books written by Emily Bleeker: *Wreckage* and *When I'm Gone: A Novel*.

### ***Wreckage:***

Lillian Linden is a liar. On the surface, she looks like a brave survivor of a plane crash. But she's been lying to her family, her friends, and the whole world since rescue helicopters scooped her and her fellow survivor, Dave Hall, off a deserted island in the South Pacific. Missing for almost two years, the castaways are thrust into the spotlight after their rescue, becoming media darlings overnight. But they can't tell the real story-so they lie.

The public is fascinated by the castaways' saga, but Lillian and Dave must return to their lives and their spouses. Genevieve Randall-a hard-nosed journalist and host of a news program-isn't buying it. She suspects Lillian's and Dave's explanations about the other crash survivors aren't true. And now, Genevieve's determined to get the real story, no matter how many lives it destroys.

### ***When I'm Gone: A Novel:***

*Dear Luke,*

*First let me say-I love you...I didn't want to leave you...*

Luke Richardson has returned home after burying Natalie, his beloved wife of sixteen years, ready to face the hard job of raising their three children alone. But there's something he's not prepared for-a blue envelope with his name scrawled across the front in Natalie's handwriting, waiting for him on the floor of their suburban Michigan home.

The letter inside, written on the first day of Natalie's cancer treatment a year ago, turns out to be the first of many. Luke is convinced they're genuine, but who is delivering them? As his obsession with the letters grows, Luke uncovers long-buried secrets that make him question everything he knew about his wife and their family. But the revelations also point the way toward a future where love goes on-in written words, in memories, and in the promises it's never too late to keep.
