## **The F-Word** Lewis Black

We all know what *frak*, popularized by television's cult hit *Battlestar Galactica*, really means. But what about *feck*? Or *ferkin*? Or *foul*--as in *FUBAR*, or "Fouled Up Beyond All Recognition"?

In a thoroughly updated edition of *The F-Word*, Jesse Sheidlower offers a rich, revealing look at the f-bomb and its illimitable uses. Since the fifteenth century, no other word has been adapted, interpreted, euphemized, censored, and shouted with as much ardor or force; imagine Dick Cheney telling Democratic Senator Patrick Leahy to "go damn himself" on the Senate floor--it doesn't have quite the same impact as what was really said. Sheidlower cites this and other notorious examples throughout history, from the satiric sixteenth-century poetry of James Cranstoun to the bawdy parodies of Lord Rochester in the seventeenth century, to more recent uses by Ernest Hemingway, Jack Kerouac, Ann Sexton, Norman Mailer, Liz Phair, Anthony Bourdain, Junot Diaz, Jenna Jameson, Amy Winehouse, Jon Stewart, and Bono (whose use of the word at the Grammys nearly got him fined by the FCC).

Collectively, these references and the more than one hundred new entries they illustrate double the size of *The F-Word* since its previous edition. Thousands of added quotations come from newly available electronic databases and the resources of the OED, expanding the range of quotations to cover British, Canadian, Australian, New Zealand, Irish, and South African uses in addition to American ones. Thus we learn why a fugly must hone his or her sense of humor, why Canadian Prime Minister Pierre Trudeau muttered "fuddle duddle" in the Commons, and why Fanny Adams is so sweet. A fascinating introductory essay explores the word's history, reputation, and changing popularity over time. and a new Foreword by comedian, actor, and author Lewis Black offers readers a smart and entertaining take on the book and its subject matter.

Oxford dictionaries have won renown for their expansive, historical approach to words and their etymologies. *The F-Word* offers all that and more in an entertaining and informative look at a word that, while now largely accepted as an integral part of the English language, still confounds, provokes, and scandalizes.

The first thing that you will ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the book untitled The F-Word can be good book to read. May be it might be best activity to you.

#### **Robert Rascoe:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The F-Word can make you experience more interested to read.
