**The Soldier Vote: War, Politics, and the Ballot in America** Donald S. Inbody

*The Soldier Vote* tells the story of how Americans in the armed forces gained the right to vote while away from home. The ability for deployed military personnel to cast a ballot was difficult and often vociferously resisted by politicians of both political parties. While progress has been made, significant challenges remain. Using newly obtained data about the military voter, *The Soldier Vote* challenges some widely held views about the nature of the military vote and how service personnel vote.
