## **TOTC 1 & 2 Samuel (Tyndale Old Testament Commentaries)** Joyce G. Baldwin

The stories of Samuel, Saul and David are among the most memorable in the Old Testament. Yet the lives of these individuals are bound up in the larger story of God's purpose for his people. Looking beyond the well-known surface of these stories, Joyce Baldwin explores the meaning of the biblical history of Israel's vital transition from a confederation of tribes to nationhood under a king. This commentary provides an excellent introduction to the critical issues of authorship, date, composition and structure of Samuel, as well as an able discussion of its theological themes.
